

Programme of the meeting of

COST ACTION FP1101 / WG1 Assessment of timber structures  
Task Group 2

**“Combination of NDT/SDT for the assessment of timber structures on site”**

on the 6<sup>th</sup> of May 2014

Venue:

WOW Topkapi Palace Hotel, Antalya, Turkey

Starting time 9:00 a.m.

Expected ending 6:00 p.m.

Scope of the meeting:

The WG1-TG2's meeting will be organized in the form of a work meeting.

The objective of the meeting is to present the various contributions to the State of the art report (STAR) on “Use of NDT/SDT for the assessment of structural timber members on site”.

The papers will be presented by the Authors and a discussion will follow, as a sort of “peer-review” of each chapter.

It is recommended to all participants to have a digital version on laptop or hardcopy of ALL submitted papers (downloadable from the dropbox folder: TG2).

During the meeting a decision will be taken for the publication of the STAR report.
